What Bouchard Insurance Provides		Current Broker?
Experience	Founded in 1948, we have over 60 years of proven experience, demonstrating our commitment of excellence in our service to the business community.	
Strategic Planning	The ClearTRAC™ System allows us to outline a specific course of action to meet your total cost of risk management objectives and deliver customized solutions with the proper placement of our resources, products and services.	
Insurance Market Access	Our size and volume of business has allowed us to develop strong and preferred relationships with a broad spectrum of insurance markets. This enables us to negotiate aggressive coverage and pricing on your behalf.	
Five-Star Customer Service	All of our clients are assigned to a team of specialists and are provided a single point of contact. To concentrate on mutual objectives and expectations and keep commitments on track, we establish service schedules and timelines and deliver stewardship reports.	
Strategic Partners	In addition to our own talented professionals and specialized value-added services, we offer a wealth of resources available to us through several national affiliations.	
Data Analysis	Using Property and Casualty claim data provided by your carrier, our CompPro™ proprietary analysis tool and consultants transform your data into meaningful reports that track losses, uncover trends to control losses and manage the factors that affect your risk management programs. Our CompPro™ department consists of in-house claims adjusters, loss prevention coordinators and statisticians that proactively offer solutions to ensure a reduction in injuries and lower premiums.	
Internet Services	You will receive access to MyWave™ Portal , an insurance focused Web site that connects you to your Bouchard Service Team and a nationwide community of your peers. MyWave™ Portal can be customized to include timesaving tools and resources for Human Resources and Risk Management Professionals to better manage everyday work tasks. Through MyWaveHR and MyWaveRM , you receive an extensive library of cost containment and loss control tools including a broad range of ready-to-use employee newsletters and payroll stuffers. A MyWave OSHA log allows you to track on the job illnesses and injuries and produce the 300 summary form in seconds.	
Surety Bonding	Our surety expert is a licensed Certified Public Accountant with over ten years of financial statement analysis. He is uniquely able to communicate your surety needs to the highly regarded underwriters we represent, provide opportunities to improve your bonding rates, single and aggregate capacity limits and the ability to bond future projects. Rest assured your bonds will be delivered to meet your time sensitive deadlines.	
Compliance	Using leading edge technology, we provide you with timely and relevant legislative updates on COBRA, Medicare D, HIPAA, HIPAA Privacy, FMLA, Section 125 and OSHA. Our online legislative guides and tracking tools simplify compliance efforts.	
Communication Services	Bouchard provides customized print and web-based communication services that will help you promote awareness of your employee benefit program, wellness and safety initiatives. These services increase HR productivity and employee morale while saving you money.	
Alternative Risk Finance	Our Captive programs allow you to take control of your insurance destiny by reducing fixed costs, improving risk management and cash flow and providing a return of underwriting profits and investment income.	
Specialized Expertise	We offer exclusive industry programs and services for Agribusiness, Child Care, Construction, Temporary Staffing, Hospitals, Hospices and Health Care, Children, Family and other Social Services, Property Management and Resorts, EPA Contractors and Food Industry Franchises.
